

# Calvary's Ministries Thrive through the Generosity of Sustaining Stewards

## What is a Sustaining Steward?

- Sustaining Stewards are loyal and consistent donors to Calvary, giving weekly, monthly, or quarterly at any giving level.
- Anyone who gives regularly to Calvary—by setting up a recurring gift via Calvary's website, or making an annual pledge during Stewardship Season—is a Sustaining Steward.
- Sustaining Stewards are the cornerstone of Calvary's success, ensuring that Calvary's ministries continue to grow and thrive.

## Why is giving regularly to Calvary important?

- Calvary is a congregation-supported church, relying on the generosity of every person for our financial wellbeing and sustainability.
- Consistent, regular giving ensures that there is stability in Calvary's income stream, making it easier to budget and plan effectively. When everyone is giving regularly, we can direct our time and energy toward the ministries we all care about.
- Generosity is a spiritual practice that deepens our connection to God and to one another.
- When you become a Sustaining Steward, you support a place that is important to you spiritually *and* you become a part of something bigger than yourself. The impact of your gift multiplies and you create meaningful ministry in our world by sharing the inclusive gospel of God's love in our community and beyond.
