Opportunities

The Evergreen Association is a
unique region of the American
Baptist Churches, USA. Organizing
by ethnic caucus and using
consensus for our decision-making,
we strive for equity at the table.

Rooted in our American Baptist
principles, we honor our theological
and cultural diversity
as we do ministry
together, share resources, and raise
up a new generation of leadership in
our churches. Our churches are in
Alaska, California, Colorado, Idaho,
Utah, Venezuela, and Washington.
